Gallagher & Kennedy Included in 2017 BTI Brand Elite Report

PHOENIX, Ariz. (April 26, 2017) – The law firm of Gallagher & Kennedy today announced the firm's recognition in the 2017 edition of consulting group BTI's *Brand Elite* report. Of the 426 firms included in the report, Gallagher & Kennedy was ranked in the top half of all firms recommended first to peers and colleagues.

BTI's analysis measures law firms based solely on unbiased, direct feedback from interviews with more than 600 corporate counsel at the world's largest organizations. Only firms that make a significant imprint on interviewees are selected for inclusion in the report.

"There is no greater compliment than to receive positive feedback from not only clients, but other members of the business community that recognize our firm's commitment to excellence," said Dean Short, Managing Partner at Gallagher & Kennedy.

In the report, firms are judged by corporate counsel participants according to nine branding factors, including: innovation, accomplishments in client service, bet-the-company work, premium worthy value and client recommendations.
