**Reminder: The Payroll Tax Credit May be Available to Businesses if the PPP is Not**  
*(4/30/2020)*

If your business is not eligible for a PPP loan because it does not qualify as a “small business” or if your business was unable to obtain a PPP loan, don’t forget about the employee retention payroll tax credit, which can provide a credit of up to \$5,000 per employee. For more details on the employee retention payroll tax credit, see the [Tax – Federal Developments](#) summary on this page.
