### My Practice

ENVIRONMENTAL - Environmental Regulatory Enforcement,  
Environmental Regulatory Permitting, Environmental Rulemaking

NATURAL RESOURCES - Air Quality

## PROFESSIONAL SUMMARY

Danielle practices environmental and natural resources law with an emphasis in air quality regulatory matters, including permitting, reporting, compliance counsel, and enforcement resolution.

Prior to joining Gallagher & Kennedy, Danielle worked for the Arizona Department of Real Estate (ADRE) as an Assistant Commissioner, leading both the Enforcement and Compliance and Auditing and Investigations Divisions through the Governor's LEAN management initiative, which includes creating visual management tools and streamlining job processes while creating a higher quality work product. She was also responsible for determining disciplinary action on Department Audits and Investigations, preparing consent orders, negotiating settlement agreements, and working with the Attorney General on cases that have been referred.

Danielle gained considerable environmental experience at the Arizona Department of Environmental Quality (ADEQ) in the Air Quality Division where she provided legal advice to executive management, tracked applicable legal deadlines, interpreted and drafted statutes, rules, case law and policy documents, and drafted State Implementation Plans (SIPs), comment letters and correspondence.

Prior to ADEQ, Danielle worked as an attorney in Boise, where she had the opportunity to advise various municipalities throughout Idaho, perform legal research, and draft memorandums, city ordinances, comment letters and liens.
