

Gallagher & Kennedy

## REAL ESTATE

Gallagher & Kennedy's real estate attorneys provide a complete range of real estate services to a diverse group of clients. We offer representation in all manner of real estate transactions, including zoning, land use, entitlements, acquisition, development, construction, leasing, financing and sales.

We represent developers, contractors, home builders, sellers, purchasers, landlords and tenants in the purchase, zoning, permitting, entitlement and development of real estate, the construction and leasing of facilities, and the financing of real estate activities. Gallagher & Kennedy also represents retailers, real estate investors, lenders and property managers in the purchase, financing, leasing, management, operation and sale of real estate assets.

Our real estate attorneys are regarded as integral to the business of our clients. We have substantial experience advising clients regarding structuring and documentation in all types of real estate projects, including complex multi-use developments, master-planned developments, sporting facilities and shopping centers, as well as condominium, retail, industrial and office projects.
