BUSINESS ENTITY FORMATION AND DISSOLUTION

BUSINESS ENTITY FORMATION

Led by Terence W. Thompson, who is the Editor-in-Chief and Lead Author of the seminal treatise *Arizona Business Practice* and the past chair of the Arizona State Bar committee that penned the current Arizona Business Corporation Act and the Arizona Nonprofit Corporation Act, our business and transactional lawyers are also actively involved in the Arizona State Bar committee that is currently re-writing the Arizona Limited Liability Company Act. This makes our business law and transactions group uniquely qualified to help clients select and maintain the ideal business entity to accomplish their unique business goals and objectives.

BUSINESS ENTITY AND PROFESSIONAL PRACTICE DISSOLUTION

The dissolution of a business or professional practice often entails a complex series of negotiations and transactions. Our legal team works with clients to develop and implement a strategic plan to achieve their specific objectives regarding asset allocation, accounting and valuation issues. We have significant experience in all aspects of partner/shareholder dispute resolution.
