

## BUSINESS LAW & TRANSACTIONS

### CORPORATE GOVERNANCE

In this era of intense focus on corporate accountability, the implementation of best practices in corporate governance is vital to the success of any business entity. Our business law and transactions group attorneys have considerable experience establishing and maintaining the internal governance structures, protocols and procedures that enable business entities to optimally allocate rights and responsibilities, and align the interests of various entity stakeholders. We are also adept at handling disputes, controversies and threats involving the direction and control of business entities.
