ENVIRONMENTAL COUNSELING

Gallagher & Kennedy environmental attorneys counsel clients nationwide on compliance with federal and state environmental laws and regulations. We have extensive experience with all major federal and state environmental laws, including the:

- Resource Conservation and Recovery Act
- Clean Air Act
- Clean Water Act
- Toxic Substances Control Act
- Emergency Planning and Community Right-to-Know Act
- Safe Drinking Water Act

We frequently interact with U.S. Environmental Protection Agency (EPA) personnel on compliance issues and have represented clients during numerous EPA and State EPA inspections of client facilities.
