

## ENVIRONMENTAL

### HAZARDOUS MATERIALS COUNSELING

Gallagher & Kennedy environmental attorneys assist clients with ensuring compliance with the U.S. Department of Transportation's hazardous materials regulations.

#### **HAZARDOUS MATERIALS ENFORCEMENT**

Gallagher & Kennedy environmental attorneys represent clients in enforcement actions brought by the U.S. Department of Transportation alleging violations of the hazardous materials regulations.

#### **MINING**

Gallagher & Kennedy environmental attorneys have been representing mining clients for over 25 years. We represent the mining industry in all aspects of:

- Public land use;
- Mineral location; and
- Regulatory compliance and enforcement.

Our attorneys are very familiar with mining and mineral processing regulations at the federal and state levels. We routinely represent clients in the copper, phosphate rock, and molybdenum mining and mineral processing sectors. We also represent the sand and gravel, asphalt and ready mix industries. Gallagher & Kennedy environmental attorneys have been actively involved in every major EPA mining-related and mineral processing rulemaking.
