REAL ESTATE TRANSACTIONS

Gallagher & Kennedy's real estate transactions attorneys represent a wide range of clients, including investors, developers, homebuilders, sellers, purchasers, landlords, tenants and others in documentation of all manner of complex real estate transactions.

Our attorneys have significant experience with:

- Public finance transactions
- Build-to-suit transactions
- Purchase and sale agreements
- Development agreements
- Lease agreements

We routinely work on transactions involving the purchase, sale, construction, financing, development, management and operation of commercial, industrial, retail and residential projects throughout the United States and document leasing on behalf of landlords and tenants.
