

GOVERNMENT AFFAIRS

REGULATORY TACTICS

Almost every business is faced with some type of government regulatory action, often with significant impacts. We offer services that help clients wade through what often seems like a governmental morass. In addition, when faced with a government regulation, we are there to help. We provide assistance and guidance in:

- Client representation and advocacy before state agencies, boards and commissions
- Dealing with promulgation of rules and regulations
- Permitting
- Resolution of regulatory enforcement actions
