

TAX LAW

CORPORATE/BUSINESS TAX

Gallagher & Kennedy's tax attorneys work hand-in-hand with our corporate attorneys to structure proposed transactions in a tax-efficient manner that accomplishes our clients' business objectives. Nearly every merger, acquisition, restructuring, joint venture, or offering involves substantial consideration of the relevant tax consequences. We emphasize problem solving and creative solutions in our representation of both privately and publicly held clients.

Our experience includes:

- Tax planning and analysis for partnerships, LLCs, C- and S- corporations, including formation, organization and transaction structuring.
- Tax planning, structuring and documentation for real estate joint ventures organized as LLCs, general and limited partnerships, including joint ventures with international investors.
- Providing tax planning, structuring and documentation for acquisitions, mergers, sales and restructuring of LLCs, LLPs, general and limited partnerships and general business corporations.
- Structuring tax-free acquisitions, mergers, and spin-offs
- Debt restructuring
- Tax planning and advice regarding U.S. taxation of foreign businesses
