GLOBAL REACH

Gallagher & Kennedy is a proud member of Lawyers Associated Worldwide (L-A-W), a global network of independent law firms working together to serve their clients' national and international needs.

As LAW's Arizona member firm, we have access to fully vetted, quality firms and lawyers to help our clients with their legal needs outside of Arizona. These firms, like us, are full service and independent. Conversely, G&K supports the legal needs of other LAW firms' clients when they need legal services in Arizona.
