

YOUR BUSINESS IS OUR BUSINESS

At Gallagher & Kennedy, we are in business to help you seize opportunities and overcome obstacles.

Combining our national reputation and multi-disciplinary legal practice with the personal client service found only in a local law firm, G&K provides boutique service to every client. From individuals to employers, startups to public companies, private to government entities, in local and national litigation and business transactions, the G&K team is here to help.

GLOBAL REACH

Gallagher & Kennedy is a proud member of Lawyers Associated Worldwide (L-A-W), a global network of independent law firms working together to serve their clients' national and international needs.

As LAW's Arizona member firm, we have access to fully vetted, quality firms and lawyers to help our clients with their legal needs outside of Arizona. These firms, like us, are full service and independent. Conversely, G&K supports the legal needs of other LAW firms' clients when they need legal services in Arizona.
